

## **Please join us at Aging Resources Network - North Charlotte**

**Aging Resources Network (ARN)** is a welcoming group of professionals who work with older adults. We gather twice monthly on the 2nd and 4th Wednesday at 9am (see locations below). Meetings consist of an educational program with a speaker or facilitator, announcements regarding events, programs and services related to the older adult community and time for networking with each other. Light refreshments are provided. Please join us for one or both monthly meetings and invite a friend or colleague! No need to RSVP. For more information, contact Kim Henderson at [khenderson@charlotte.bbb.org](mailto:khenderson@charlotte.bbb.org).
