

ABOUT THE INSTRUCTOR

Jenny Renville, MS Counseling, LC,
CDP, CADDCT

Jenny has a B.A degree in Psychology and in Life Coaching; in addition to a M.S degree in Clinical Counseling from Liberty University. She currently is a Certified Dementia Practitioner and a

Certified Alzheimer's disease and Dementia Care Trainer, through the National Council of Certified Dementia Practitioner and International Council of Certified Dementia Practitioners.

Jenny also provides training and education to the community through the Alzheimer's Association. Her

clinical counseling experience is a great asset in helping families, care givers, and individual's deal with the effects of Alzheimer's and Dementia. Jenny have worked with the senior population for over 15 years in clinical settings and in management. Her extensive background in customer service and in senior care has earned Jenny much recognition in her field.

BENEFITS OF PROFESSIONAL CERTIFICATION

The benefits of Certified Dementia Practitioner (CDP) certification are numerous to the health care professionals and front line staff. Health Care Professionals and front line staff who have taken the steps to complete comprehensive training in the area of Alzheimer's and Dementia Care and have completed certification have the necessary educational tools to provide care for people living with Alzheimer's and Dementia.

Certified Dementia Practitioner (CDP) Certification is essential for today's health care professional and front line staff as the dementia elderly population continues to rise. CDP certification recognizes the need for standards in the area of Alzheimer's and Dementia education to provide quality services by trained health care professionals and front line staff in the area of Alzheimer's and Dementia. Certified Dementia Practitioner (CDP) works to enhance the use of

new methods, theories and tools related to Alzheimer's and Dementia care best practices. The NCCDP Alzheimer's and Dementia Care education and CDP certification provides recognition, competency and a commitment in the area of Alzheimer's and Dementia care. CDP certification can assist with job advancement.

CDP certification promotes the need for education from which all health care professionals and front line staff can benefit.
