

The Connections Meet-Up Group

“Gingerbread Alley”

Let’s “meet-up” at **The Garden House** for a special annual holiday celebration of gingerbread houses, tasty treats and songs of the season! All gingerbread houses have been decorated and donated by local businesses in support of the Alzheimer's Association! Come on out and experience this amazing annual tradition of the Anderson community.

Please join the Alzheimer’s Association’s for this unique opportunity! Come out and make new friends with the Early–Stage Engagement group, **The Connections Meet-Up Group!!** This group is intended for those people living with early/mid-stage dementia & a guest (this could be their family, friends or professional companion). This group is a great way to get connected with others on the same journey and learn about local resources. They say that “variety is the spice of life” so let’s add some to yours!

The group meets the 4th Thursday of the month at 2pm; (please note: it will be the 3rd Thursday for the months of November/December) the location and activities vary.

December Meet-Up Information:
Thursday, 12/19/19 at 2pm at the:
The Garden House
201 Edgebrook Drive, Anderson
