

# HARMONY

## Healing Hearts Support Group

Join Harmony and Agape Hospice for a monthly 'Healing Hearts' Support Group. The purpose of this support group is to create a safe environment for people to express their feelings of grief and mourning which will hopefully enable them to reconcile their loss and begin to find meaning in living life again. Grief support groups offer companionship and understanding from others who have experienced a similar loss and are experiencing the similar challenges that living with grief brings.

**1:00 - 2:00 PM**  
**Thursday, January 16th**  
**Thursday, February 20th**  
**Thursday, March 19th**
