JOHN PIZZARELLI & CATHERINE RUSSELL

A TRIBUTE TO NAT KING COLE
AND THE LADIES OF SONG

MARCH 19

World-renowned guitarist and singer John Pizzarelli has been hailed by *The Seattle Times* as "a rare entertainer of the old school." With "a voice that wails like a horn and whispers like a snake in the Garden of Eden" (NPR), Grammy® Award winner Catherine Russell has been featured on over 200 albums. Together, they transport audiences back in time and pay homage to Nat King Cole and the iconic singers featured on his historic television show in *A Tribute to Nat King Cole and the Ladies of Song*.
