The Journey of COVID-19: Then, Now and Going Forward

Donald R. Lilly NHA, CRCFA, LMSW

Vice President of Health Services, The Woodlands at Furman

Friday, March 19

9:00 am – 12:15 pm

Please join us via Zoom as Donald will discuss how Covid -19 has affected the senior population and give you a greater insight into their world over the last year. During this presentation, the following objectives should be accomplished:

- 1) Understand the steps taken to keep the senior living population safe.
- 2) Understand and be able to identify the impact these steps had on the mental health of residents in a senior living community. Specifically looking at the negative outcomes.
- 3) Understand how these “lockdowns” impacted the families of senior living residents.
- 4) Understand what we have learned over the last year to combat these negative outcomes on mental health and turn a negative outcome into a positive outcome.
- 5) Understand what we in senior living plan to take forward with us into the future.
- 6) Understand and identify the steps we are taking in senior living to bring our communities out of these “lockdowns.”
