Muffins FOR MOM!

**Dominion Senior Living of Anderson and MSA Home Health
and Hospice want to wish you a Happy Early Mother's Day.**

We know mornings can be hectic getting ready for work and making sure the kids arrive at school on time. Let us show our appreciation for what you do all year long by treating you to a delicious muffin and a hot coffee to start your day. *Swing by Dominion Senior Living, show our residents a cute picture of your kids and get breakfast for the road. You deserve it!*
