ASSOCIATES, P.A.

Have you ever wondered how to get someone you love to the doctor when they don't think they need to go? Once there, have you ever struggled to get the doctor to know your concerns?

Register today and submit your questions. We will then compile the most commonly asked questions and answer them during a Zoom meeting.

About Our Speaker:

Melanie Bunn is a Dementia Training Specialist for Dementia Alliance of North Carolina, Consulting Associate at the Duke University School of Nursing, and Trainer, Positive Approach to Care.

She is a skilled and experienced advanced practice nurse and nurse educator, conducting over 200 presentations and trainings annually to health professionals, community organizations, first responders, families and other groups focused on the care and needs of people living with dementia and their families. She was part of the award winning Accepting the Challenge DVD with Teepa Snow. Her research efforts have focused on improving care of older people, especially those with cognitive impairment, through improving the education of inter-professional teams and families. She has volunteered as an Alzheimer's Support Group Facilitator for over 25 years.
