“From Darkness to Light”

Summer Solstice Virtual Celebration

**Celebrating The Success And Resilience Of
Those In Our Community Overcoming Homelessness**

Join us on the first day of summer and the longest day of the year as NHFHS' Health Care for the Homeless and Medical Respite Care Program team and community partners celebrate the success and resilience of those in our community who have overcome homelessness. Tune in to hear their stories and learn more about the community's collaborative efforts to make homelessness brief and rare.
