

## **Fund Raising Opportunity until August 22, 2022**

CHAIN – “Caring Hearts Assisting in Need” in cooperation with Little Caesar’s Pizza, is selling a variety of kits, delivered to your door, ready to bake and consume. The available products are not just limited to pizzas but also include two types of bread kits as well as chocolate chunk or oatmeal raisin cookie dough.

Get ready to make your own Little Caesars pizza at home the way you like it! I like mine with ham, mushrooms, and onions. Bake a “Crazy Bread” or Italian cheese bread to pair with a salad. Finish your meal with hot fresh cookies, and you never left home! Your product will be shipped via Fed Ex (additional shipping cost) ready to assemble and bake.

Remember your order must be placed by August 22.

Thank you so much for your support. 100% of the proceeds will be used to aid older adults, people with disabilities and their care givers.
