

# NASA Space Launch Systems

Wednesday, April  
19th at 3:30pm

Somerby- 2nd floor  
3100 Tradition Circle  
Mount Pleasant, SC 29466

---

Please join us to hear from Somerby resident, John Wilkinson. He will discuss his career creating and working on the space launch system for NASA. John assisted with writing manuals for simulators, discovering areas of improvement after The Space Shuttle Columbia disaster and was awarded the Astronaut's Silver Snoopy Award for his contributions to the space program.

Space is limited! RSVP by 4/17 by calling  
843-654-7908.
