About Respite Care Charleston

For nearly 30 years, RCC has provided support and services to those living with Alzheimer's disease and dementia in Charleston Co. A 501(c)3 nonprofit organization, RCC provides support groups, half-day adult care for those with dementia (respite), one-on-one caregiver consultations, interventions for those with early-stage dementia and community education. By supporting the needs of caregivers and their loved ones, we help provide MORE. GOOD. DAYS.
