Embrace newfound learning, explore new hobbies, and connect with like-minded individuals through enrichment programming at Aiken Senior Life Services!

Drop in anytime between 3 pm & 7 pm the on the first Friday of this March as ASLS kicks off its Spring 2024 Enrichment Season.

The upcoming season will begin in March and continue through the end of June. Programming topics will include nutrition & wellness, tech talks, visual arts, gardening & outdoors programs, Scam & Fraud education, history lectures, bus tours, and free interactive clubs.

We encourage you to engage with speakers, teachers and presenters of the season's offerings while enjoying complimentary refreshments. ASLS will also host a wealth of local businesses offering products and essential services that are sure to entice and delight.
