

Business Benefits of Virtual Care

Spartanburg Regional's Virtual Care team invites business leaders to join us during their lunch hour to learn more about the benefits of offering virtual care to employees, the types of appointments available and the various telehealth services offered. Experience an appointment demonstration and take the opportunity to ask the team questions.

Lunch is provided by registering at www.SpartanburgRegional.com/Pelham-Events

Thursday, May 23
12 - 1 p.m.

Gibbs Cancer Center - Pelham
