ADVANCES IN BREAST HEALTH

Learn how far we've come and how today's innovations are changing the face of breast health.

Join us for lunch to hear Dr. Allison Palumbo share information about how to minimize your risk of breast cancer, non-cancerous conditions, treatment options and new surgical techniques available to those facing a diagnosis of breast cancer.

*Scan the QR code or visit
www.SpartanburgRegional.com/Pelham-Events
to register by Oct. 15.*

Allison Palumbo, MD
Fellowship-trained breast surgeon
