# YOU'RE INVITED TO A MEAL ON US!

We cordially invite you and a guest to enjoy a complimentary meal and a presentation of our pre-planning seminar at Viva Tacos.

## GOOD THINGS COME TO THOSE WHO PLAN: THE BENEFITS OF END-OF-LIFE PRE-PLANNING

Benjamin Franklin once said, "By failing to prepare, you are preparing to fail."

While the phrasing is a bit harsh, the sentiment certainly holds true to this day — especially for funeral planning.

Did you know there are more than 100 decisions and pieces of information needed at the time of passing? When we don't plan ahead, we leave those

decisions to our loved ones — who might be left to emotionally overspend or bicker over options.

When we do plan ahead, we protect the ones we love on the day they'll need it most. Pre-planning not only prevents uncertainty but provides you and those you love with the peace of mind of knowing that things are taken care of.

## WE'LL DISCUSS:

Preventing Financial Burden • Documenting Your Wishes • Creating Contingency Plans
