FUNERAL PRE-PLANNING FOR VETERANS: NAVIGATING THE MEMORIAL BENEFITS PROCESS

Benjamin Franklin once said, "By failing to prepare, you are preparing to fail."

While the phrasing is a bit harsh, the sentiment certainly holds true to this day — especially for those who wish to use VA memorial benefits to fund funeral arrangements.

Did you know that VA memorial benefits aren't automatic?

Beyond just accessing benefits, there are also more than 100 decisions and pieces of information needed to properly make arrangements.

When we don't plan ahead, we leave those decisions to our loved ones — who might be left to emotionally overspend or disagree about options.
