Join us for a drop-in, **Hands-Only CPR** workshop and learn how to save a life in just two simple steps! This educational event is open to everyone and designed to teach you the basics of CPR without certification requirements. With hands-on practice, games and free giveaways, it's a great way to gain valuable skills while having fun. Drop in anytime between 11 a.m. and 1 p.m. — we can't wait to see you there!

This workshop is for educational purposes only and does not provide full certification.
