## GOOD THINGS COME TO THOSE WHO PLAN: THE BENEFITS OF ADVANCE FUNERAL PLANNING

Benjamin Franklin once said,  
"By failing to prepare, you are  
preparing to fail."

While the phrasing is a bit  
harsh, the sentiment certainly  
holds true to this day —  
especially for funeral planning.

Did you know there are more  
than 100 decisions and pieces  
of information needed at the  
time of passing? When we  
don't plan ahead, we leave

those decisions to our loved  
ones — who might be left to  
emotionally overspend or  
bicker over options.

When we do plan ahead, we  
protect the ones we love on  
the day they'll need it most.  
Pre-planning not only prevents  
uncertainty but provides you  
and those you love with the  
peace of mind of knowing that  
things are taken care of.
