HELP US KICK OFF THE 2025 THE LONGEST DAY SEASON!

The Alzheimer's Association is honored to serve and support those in our local community who have been impacted by Alzheimer's or another form of dementia. Come to learn more about the work of the Association and how you can get involved in your own backyard.

As we kick off the 2025 The Longest Day season, we're excited to come together to shine a light on a cause that impacts so many. We want you to have all of the tips, tools and resources you need to be successful, so we're packing up some ALZ swag, resources for The Longest Day, and hitting the road for five stops across North Carolina in the coming weeks. Join us at a stop nearest you!
