

# Confident Caregiver Symposium

alzheimer's  association®

In the middle stage of Alzheimer's disease, those who were care partners now become hands-on caregivers. Join us for this four-part series and hear caregivers and professionals discuss helpful strategies to provide safe, effective and comfortable care in the middle stage of Alzheimer's. When you register, you will be automatically enrolled in all four sessions. Join all sessions or just the discussions that interest you most.
