

# Continuing Education Webinar for Healthcare Professionals

Comfort Keepers is the leading provider of in-home care, offering customized services to meet the unique needs of older adults. Our Caregivers provide professional assistance to clients who need a bit of help to live, and thrive, in the home environment they love.

We also value our community partnerships. Doctors, nurses, social workers, and many other healthcare professionals work with us daily. In gratitude, Comfort Keepers offers FREE lunchtime webinars to provide information, inspiration, and CEUs to those who would like to join us.
