## Catch the Wave: Delivering Excellent Customer Service to Improve Patient Care

We are excited to have Bindu Varghese, OT, MBA as our guest speaker.

Bindu Varghese currently serves as chief executive officer of Encompass Health Rehabilitation Hospital of Sugar Land (TX). With nearly 20 years of healthcare experience, she has been with Encompass Health Sugar Land for over 11 years and served as the director of therapy operations for eight of those years. Bindu has a clinical background in occupational therapy and also holds a master's degree in business administration. She has also served on Encompass Health's National Therapy Leadership Board and Diversity Council.

One hour credit available for PT, OT, LVN, RN, CCM, SW, SLP
