KAH Care, LLC, dba "Right at Home of Charlotte Lake Norman" ACHIEVES ACCREDITATION WITH ACHC

Durham, NC. KAH Care, LLC, the parent company of Right at Home of Charlotte Lake Norman proudly announces its approval of accreditation status by Accreditation Commission for Health Care (ACHC) for the services of Private Duty Aide Services and Private Duty Companion/Homemaker effective September 2024.

This accreditation demonstrates our compliance with state and national standards, reflecting our commitment to enhancing performance and patient care. Ken Helmuth, owner of Right at Home of Charlotte Lake Norman, stated, "This accreditation validates our efforts as a home care provider and ensures we maintain the highest standards of care." He added that this milestone introduces a significant level of accountability and scrutiny, especially as many North Carolina licensed personal and companion home care providers do not pursue accreditation, which is not mandated by the NC Department of Health & Human Services.

During the ACHC accreditation survey, our administrative operations, care provisions, quality improvement, direct care staff quality and risk management policies were thoroughly reviewed. Helmuth expressed pride in the local team's dedication to achieving this benchmark.

The accreditation of the Charlotte Lake Norman office establishes consistent continuity of care for the three KAH Care, LLC offices located in Durham, Huntersville, and Raleigh (KAH Care, LLC). The homecare accreditation status enhances the quality of care provided to our clients, communities, and families.

Accreditation Commission for Health Care (ACHC) is a not-for-profit organization that has stood as a symbol of quality and excellence since 1986. ACHC is ISO 9001:2008 certified and has CMS Deeming Authority for Home Health, Hospice and DMEPOS. For more information about the Accreditation Commission for Health Care, please visit www.achc.org.
